

Farr 42 WoW

Year: 2006

Current Price: 169,950 EUR

Location: Dublin, Ireland

Designed for both inshore and offshore performance. The boat is in immaculate condition, with a great inventory of sails and equipment. Professionally maintained from new, WoW is in regatta winning condition.

Design #588 was commissioned by Austral Yachts of South Australia in a bid to offer the local market a quality cruiser/racer that could cope with the demands of real cruising off the Australian coast and be a strong contender for handicap wins in both round the buoys and long distance events using IRC ratings. Austral have been producing boats for the Australian market for over 30 years and are planning to expand their facilities and market area.
